

Dear Student

This email concerns a further update on West Highland College UHI Building closures following announcements by UK and Scottish Governments regarding COVID19 restrictions applicable from 24 March 2020

Further to the UHI student email last week, our online delivery has started from yesterday (Monday 23rd March). All staff are now home working and as such the college continues to operate online. However, **all our college buildings** are now closed.

As per the Government guidance yesterday, we should all remain at home, and only go outside for food, health reasons or essential work <https://www.gov.uk/coronavirus>, stay 2 metres (6ft) away from other people and wash your hands as soon as you get home.

If you have any questions relating to the teaching and assessment arrangements on your course, please contact your personal academic tutor, or course tutor. If your question is about wider Student Support issues, please contact the [Student Support team \(studentservices.whc@uhi.ac.uk\)](mailto:studentservices.whc@uhi.ac.uk) for further advice. We will be issuing further information in relation to funding, and for those who remain in UHI student residences to relevant students soon.

We do realise that this is an unsettling and frightening situation, and there are a number of other information sources for you:-

www.whc.uhi.ac.uk/about-us/covid-19-coronavirus-update/ which contains West Highland College related information and updates

www.uhi.ac.uk/coronavirus for UHI wide latest information and frequently asked questions will be posted

This information from [MIND](#), the mental health charity, is useful and reassuring.

All relevant public health information, including regular updates, is posted on the [NHS inform website](#).
