

# **ESOL National 5**

## **English for Speakers of other Languages**

### **What skills will you gain?**

Do you want to develop your knowledge of and use of English?

This course is designed for you if your first language is not English.

It will help you to develop the important skills of reading, writing, listening and speaking.

This means that you will have a better understanding about how to use English in your everyday life, work and study.

You will grow in confidence and feel more relaxed about using English with friends, when out shopping, at work, at college and many other situations.

### **What units will I study?**

ESOL for Everyday Life

ESOL in Context

### **Entry Requirements?**

Pupils must have experience of using English at a National 4 level. This will be decided by our lecturer after discussion with you.

### **How and where will I study?**

Virtual classes use online technologies, such as Google Hangouts, in timetabled sessions and will have a college lecturer in virtual attendance during the class.

### **How will I be assessed?**

You will be assessed throughout the year in class and then you will sit a final external SQA exam in April/May.

### **Where will it take me?**

This qualification will enable you to study with more confidence in the future in either school, college or university.

### **How do I apply?**

Application is online. Please speak to your guidance teacher.
