

Business Management

National 5

What skills will you gain?

National 5 Business Management can act as an introduction to the world of business. The purpose of this course is to highlight ways in which organisations operate and the steps they take to achieve their goals. A main feature explored is the development of enterprising skills and employability skills. You will explore the important impact businesses have on everyday life and this will make your learning experience experiences topical.

What units will I study?

Understanding Business
Management of People and Finance
Management of Marketing and Operations

Entry Requirements?

3 passes at National 4, demonstrate an interest in studying business management and have a satisfactory reference.

How and where will I study?

Virtual classes use online technologies, such as Google Hangouts, in timetabled sessions and will have a college lecturer in virtual attendance during the class.

How will I be assessed?

You will be assessed by a combination of a Business Management question paper and a business-related assignment.

Where will it take me?

National 5 Business Management is a suitable preparation for entry to Higher Business Management. This in turn can lead to entry on higher education courses in Business or further study in other academic or vocational subjects.

How do I apply?

You will apply online. Please speak to your school guidance teacher for more information.
