

Music Business

National Progression Award SCQF level 6

What skills will you gain?

Are you interested in business and music? Do you want to learn about what goes on behind the scenes to make a band successful?

This qualification is the starting point for those interested in music business.

The NPA will develop your knowledge of the UK music industry using problem-based learning approaches as well as creative and problem-based learning.

The course covers careers and organisations within the UK music industry, how promotion can help a band gain a larger audience and also how to protect music through copyright.

What units will I study?

Introduction to the UK Music Industry

Promotion in the Music Industry

There is one optional unit:

Intellectual property

Entry Requirements?

A pass at National 5 level, demonstrate a keen interest in Business or Creative Industries and have a satisfactory reference.

How and where will I study?

Virtual classes use online technologies, such as Google Hangouts, in timetabled sessions and will have a college lecturer in virtual attendance during the class.

How will I be assessed?

The NPA is internally assessed by observation checklists, project logbook and evaluation and an open book assessment paper.

Where will it take me?

After this course you may like to apply for our full time college course: NC Music at SCQF level 5 or 6.

How do I apply?

Application is online. Please speak to your guidance teacher.
